

STARPOWER™

STARPOWER VS-R 52 4F

Your clients will be basking in tanning glory! The new facial tanning and body cooling system will enhance their tanning experience.

Features & Benefits

- This unit comes equipped with *Gold Medal®* Series features.
- New VS-R *SPEED®* system tanning technology features specially-designed, patent-pending custom-matched components.
- More comfortable, ergonomically designed bench provides even support to the back, neck and shoulders.
- Heavy-duty extruded aluminum and steel mainframe with a durable, long-lasting *DuraMax™* 2000 exterior for easy maintenance and long life.
- Dual height canopy opens 30 percent higher, to simplify maintenance.
- 48 super-efficient *Speed®* reflector lamps utilize a proprietary phosphor blend. Bed canopy contains 32 lamps (including 6 side lamps) and the bench contains 16 lamps (including 4 shoulder lamps).
- A convenient slide-out utility drawer makes accessing your bed's internal components simple.
 - *EZ-Touch™* spring lift system makes it easy for the tanner to open and close the canopy.
 - *Vortex™* body cooling system increases airflow by up to 30 percent.
 - Shoulder tanner tans shoulders for a more natural-looking tan.
 - High gloss shoulder reflector focuses more tanning rays on the shoulders and neck.
 - Exclusively designed acrylic sheets allow the maximum amount of UV penetration for more tanning power.
 - Facial fan cools your face and neck to provide ultimate comfort.
- Includes stereo speakers for your clients' listening pleasure (stereo not included).
- 48-month *Gold Medal®* extended warranty.
- A standard limited lifetime warranty protects your investment and gives you peace of mind.
