

SunQuest

SUNQUEST PRO 16SE SERIES

Simply the best in home tanning, the *SunQuest® Wolff® Pro 16SE* delivers dynamic tanning power and convenience, all in the comfort of your own home.

Dark tanning lamps are angled to maximize the reflecting rays for a dark, rich tan. Lightweight and convenient, this sunbed operates on a standard 120-volt household electrical circuit.

FEATURES & BENEFITS

- These units come equipped with *Bronze Medal Series* features.
- *Bio-Tech™* tunnel design surrounds tanners for fast, consistently dark, all-over tanning results.
- Heavy-duty extruded aluminum and steel mainframe with durable, long-lasting *DuraMax™ 2000* exterior housing for easy maintenance and long life.
- *Quick Clip™* acrylic removal system on the bench makes changing your lamps and cleaning reflectors easier than ever before. Just snap the clip open and slide your acrylic out!
- 16 super-efficient, high-output lamps shower the user with UV light for a fast, dark, full-body tan. This bed has 8 lamps in the canopy and in the bench.
- Specially glossed aluminum reflectors for maximum tanning power and efficiency.
- Curved tanning surface offers all-around tanning in a comfortable resting position.
- Exclusively designed acrylic sheets allow the maximum amount of UV penetration.
- Protective canopy grid allows more UV tanning power to reach your body.
- Delivered 95% pre-assembled for quick, hassle-free assembly.
- 18 month *Bronze Medal* extended warranty.
- A standard limited lifetime warranty protects your investment and gives you peace of mind.
