

# SUNVISION

## SUNVISION 28LE SERIES

The 28LE 2F provides unmatched tanning versatility. The 28LE 2F is our most versatile bed because it offers you two ways to tan: *SolarMax™* IFT face tanners on; face tanners off, but with low intensity, 100-watt lamps on, showering the facial area with low pressure UV.

### Features & Benefits

- This unit comes equipped with *Silver Medal Series* features.
- *Bio-Tech™* tunnel design surrounds tanners for fast, consistently dark, all-over tanning results.
- Heavy-duty extruded aluminum and steel mainframe with a durable, long-lasting *DuraMax™* 2000 exterior for easy maintenance and long life.
- *Quick Clip™* acrylic removal system on the canopy and the bench makes changing your lamps and cleaning reflectors easier than ever before. Just snap the clip open and slide your acrylic out!
- 28 super-efficient, high-output 100-watt lamps shower the user with UV light for a fast, dark, full-body tan. Both the canopy and the bench contain 14 lamps.
- Digital Timer with built-in hour meter is easy to read and use.

- Efficient choke ballasts utilize only proven technology and have some of the highest success rates in the industry.

- A wider, curved seven-foot tanning surface offers all-around tanning in a comfortable resting position.

- Seven-foot, staggered lamp design puts more lamps over the facial area for extended tanning coverage.

- Exclusively designed acrylic sheet allows the maximum amount of UV penetration for more tanning power.

- 24-month *Silver Medal* extended warranty.

- A standard limited lifetime warranty protects

your investment and gives you peace of mind.

- CSA unit available.
