SUNVISION ZX30 SERIES

This 30 lamp premium tanning unit has a "total surround" computer-designed tunnel and mainframe system that integrates steel and *DuraMax*TM2000 materials to solidly position it as one of the most durable tanning beds in today's market.

Features & Benefits

- This unit comes equipped with *Silver Medal*[®] Series features.
- *SPEED*[®] system tanning technology features specially-designed, patent-pending custom-matched components.
- *Bio-Tech*TM tunnel design surrounds tanners for fast, consistently dark all-over tanning results.
- Heavy-duty extruded aluminum and steel mainframe with durable, long-lasting *DuraMax*TM 2000 exterior for easy maintenance and long life.
- *Quick Clip*TM acrylic removal system on the canopy and the bench makes changing your lamps and cleaning reflectors easier than ever before. Just snap the clip open and slide your acrylic out!
- A convenient slide-out utility drawer makes accessing your bed's internal components simple.
- 30 super-efficient, *SPEED*[®] system lamps shower the user with UV light for a fast, dark, full-body tan. The bed contains 16 *SPEED*[®] 205 system lamps in the canopy and 14 *SPEED*[®] 175 system lamps in the bench.
- A wider, curved seven-foot tanning surface offers all-around tanning in a comfortable resting position.

- Optional, powerful body cooling fan ensures maximum tanning comfort.
- Staggered lamp design puts more lamps over the facial area for extended tanning coverage.
- Exclusively designed acrylic sheets allow the maximum amount of UV penetration for more tanning power.
- Optional stereo speakers available for your clients' listening pleasure (stereo not included).
- 24-month *Silver Medal*[®] extended warranty.
- A standard limited lifetime warranty protects your investment and gives you peace of mind.
